

# VOLUNTEER INFORMATION & HELPFUL TIPS

- **Arrive by 9 A.M.**

Make sure you arrive to the post office by 9 A.M. because a prompt start is important to the success of the day. When you arrive, report to a volunteer or postal worker who can direct you to the person in charge who can give you an assignment.

- **Bigger sometimes is better.**

Make sure your vehicle has room for the food you collect.

- **Dress appropriately.**

May in Wisconsin does not promise spring flowers. Check the weather, and make sure to be prepared for cold and rain.

- **Be flexible.**

You will be part of an amazing operation that, last year, collected over 109,000 pounds of food in Eau Claire and Chippewa Falls alone! To accomplish this, we ask that you be flexible and tolerant of changing routes and roles throughout the day.

- **Have fun!**

Stamp Out Hunger is an easy, enjoyable way to experience the generosity of others and help those in our community who are struggling. So, have a good time doing good for others. Chances are, you'll be looking forward to helping out again next year!

## A TERRIFIC FAMILY EVENT!

*This is a wonderful way to involve kids in volunteerism. This event, however, is not appropriate for infants and small children.*

**QUESTIONS?** Contact James Peters at 715-834-5043 or [jpeters@uwgcv.org](mailto:jpeters@uwgcv.org)
