Sponsorship Options and Commitment Form

By sponsoring our United Way Golf Tournament, your business will be actively supporting the larger mission of improving the conditions and life of everyone in the Chippewa Valley. Specifically, this tournament supports the administrative costs necessary to achieve the goals of United Way. A sponsorship will mean not only fantastic exposure to almost 300 business and community representatives, but also foster the early childhood development, financial literacy and skill training, health and safety, and basic needs of our community.

Together, we can accomplish more than any single group can on its own. Thank you for choosing to LIVE UNITED.
