Super Stolie is a musician, artist and performer who sings original children's music. With her colorful outfits and vibrant personality, Super Stolie uses creativity to inspire the uniqueness in all of us.

A unique combination of sophistication and silliness, their act tickles the funny bone of all ages. Featuring juggling, magic, music, comedy and danger, this is a show the adults will love for the witty wordplay, and kids go bonkers for the slapstick comedy.

WANDERING THE PARK

Kevin's Balloons

Flowers, animals, swords, super-heroes--is there anything Kevin can't make out of balloons? See the amazingly balloon-twisted creations of Kevin's Juggling & Balloons as he strolls the Community Block Party!
