CARTS

There are two carts per five-some assigned to your group. Look for carts with your team number on the front. Keys will be handed out prior to the 7:00 am and 12:15 pm announcements.

MULLIGANS

Mulligans are \$10.00 each with a limit of 2 per golfer and 10 per team.

Each player purchasing a mulligan may use it to replay any shot **EXCEPT closest-to-the-pin, longest drive, longest putt, gambling holes, or hole-in-one shots.**

SCRAMBLE RULES

The tournament format will be a 5-person scramble, with shotgun starts at 7:15 a.m. and 12:30 p.m.

A scramble format means each player drives off the tee. The team then selects the best tee shot and all second shots are hit from the best tee shot location. Each team member must place his/her ball within one club-length of the selected shot, no closer to the hole. Whatever ground condition the selected ball was in must be duplicated by the rest of the five-some. (If selected ball was in the rough, all shots must be hit from the rough, etc.)

Each player must have his/her drive used at least twice during the 18 holes played – par 3 holes included. If and when your team has accumulated a score of double bogey, 2 over par, on any hole, do not complete play on the hole but pick up balls, record your score as double bogey and move on to the next tee. This will assist in keeping play moving at a reasonable pace.

Women will use the Red tee markers throughout the round. Men will use the White tee markers.

REMINDER: PLEASE KEEP PLAY MOVING! Turn in scorecard immediately upon completion of play. Do NOT play extra holes on the way in from the course.

Keep carts behind marked areas around greens, repair divots on tees, fairways, ball indentations on greens.

SCORECARDS

Please enter the gross (actual) score for your team on the first line of official scorecard. Total your 18-hole score and turn in scorecard to the club pro-shop within 15 minutes after completion of play. Indicate each time a player's drive was used by placing a check mark on the specific hole in line with that player's name.

Remember to begin scoring on the hole you start your play.

Tournament team prizes, for men, women, and mixed teams will be awarded for Low Team Scores. To be considered a mixed team, your team must include either two women and three men, or two men and three women.

TIE

In case of a tie for 1st, 2nd or 3rd place, scorecards will be compared beginning with the #1 handicap hole to determine winners. There will be no sudden death playoffs.
