LEADING THE WAY TO A STRONGER CHIPPEWA VALLEY.

Leadership Circle donors consist of those who invest \$500 or more in a year to the United Way community fund. Although they make up less than 13% of our total donors, they made up nearly 40% of total contributions made in 2015.

Our Leadership Circle donors are supporting United Way of the Greater Chippewa Valley and volunteers to help ensure that all children enter school ready to succeed, that families can be more financially stable, and that individuals have the best opportunities for health and wellness.

United Way of the Greater Chippewa Valley would like to thank each Leadership Circle member for living united. Every effort has been made to ensure the proper recognition and accuracy of this registry. Information is based on pledge forms and company reports received through April 2016.

Alexis Charles-Henri de Tocqueville

The United Way Tocqueville Society was founded almost 30 years ago in honor of Alexis Charles-Henri de Tocqueville, who came to America in 1831 and recorded his observations of life in the young nation. His observations, readings and discussions with eminent Americans formed the basis of *Democracy in America*, a detailed study of American society and politics.

Tocqueville recognized, applauded, and immortalized American voluntary action on behalf of the common good. The United Way Tocqueville Society was created to deepen the understanding and commitment of United Way's most generous and community-minded investors.
