**United
Way**

**United Way of the
Greater Chippewa Valley**

WHO ARE WE?

We are community leaders that strengthen lives by focusing on root causes of the Chippewa Valley's needs.

WHAT DO WE DO?

We connect with community partners to support mental health, prepare children to enter kindergarten, improve money management and job training skills, and provide access to food, shelter, and medical care.

HOW DO WE DO IT?

We partner with volunteers, community members, businesses, and nonprofit organizations to create positive, measurable change.

WHAT CAN YOU DO?

With your gifts of money and time, you can help United Way of the Greater Chippewa Valley work towards accomplishing shared goals. Together, we do more than any one person or organization can alone.
